Thank You 2014 Silver Sponsor:  
[simuwatt/concept3D](http://simuwatt/concept3D)

Denver-based software developer, concept3D, developed the simuwatt Energy Auditor software package in partnership with the National Renewable Energy Lab. Simuwatt Energy Auditor replaces the clipboard-and-pencil approach to building energy audits with a package that uses sophisticated, comprehensive computer modeling to find more potential energy savings. Simuwatt Energy Auditor's built-in reporting mechanisms and assumptions provide much more useful information to decision maker.
