A special networking opportunity for exhibitors and attendees to maximize their conference experience will precede the official Welcoming Session and Conference Opening Keynote on August 10th. The networking break, from 3:30 to 4pm in the exhibit expo, will feature a display of the latest technologies and trends in energy efficiency products, strategies and services from our conference sponsors.

The networking break will help sponsors benefit from all aspects of exhibit participation and for attendees to get answers to their questions about products and services.
