**6TH ANNUAL NATIONAL MARKET TRANSFORMATION CONFERENCE:
Friday Afternoon (August 11th) at the Conference**

Friday afternoon's sessions bring to a close the 6th Annual ESC Market Transformation Conference. After lunch the "Role of the 3rd Party Administrator" session leads the way into the home-stretch. Pete Berger, Minnesota Department of Commerce, will moderate the session. Participants include Kelly Thomas (Nevada Governor's Energy Office), John Canfield (Trident Energy) and Chris Halpin (Celtic Energy). This interactive session explores how the concept of a third-party administrator (Owner's Rep) for Guaranteed Energy Savings Performance Contracts has evolved and is helping safeguard the public sector client.

The conference final session is the State and Chapter Roundtable discussion. Moderated by Eddie Riddle and Jim Ploger (ESC State Liaison team members), the Roundtable is the conference's traditional closing session and provides a glimpse at GESPC activities going on in State Chapters and Energy Offices around the country.

At the closing of the Roundtable, the bar is open as the activities move into the Exhibit Hall for the Award Presentation and a last chance networking opportunity before we close the books on the Henderson Conference.
