**Dear Chapter Member,**

As we ring in 2017, exciting things are happening with the Energy Services Coalition all around the nation.

The New York "2016 Highlights" is a snapshot of performance contracting news and headlines that our New York members have shared with us during the past year. To stay up-to-date, or to share a news item with us – please visit the [New York ESC Chapter Facebook](#) page.

Happy New Year,

ESC Executive Director

## **Savings Exceed Guarantee**

October 20, 2016 \* The Garden City Union Free School District's annual audit shows that the District's 2009 energy performance contract's savings has far surpassed the payments the districts makes for its GESPC contract.

## **Recognizing Success**

September 29, 2016: The Town of Mamaroneck is one of two New York communities certified as "Climate Smart" by the state Department of Environmental Conservation for its success in cutting energy use. In 2014, the town entered into an GESPC renovating Hommocks Ice Rink, Town Center and a Fire House.

## **State's Largest GESPC**

May 17, 2016 \* Dr. Kenneth R. Hamilton, Superintendent of the Mount Vernon City School District, recently presented the district's annual

together to address and overcome any barriers which are limiting the effective use of ESPC. So, if you are still involved in energy savings performance contracting programs, products or services, then coming back to the Energy Services Coalition may be right for you. Please consider [renewing](#) your membership. I hope you will be able to (re) join us!

the "State of the District" address. Among the highlights was the district's new \$44 million energy performance contract, the largest of its kind in New York State history.

The 18-year GESPC will save the District \$2 million a year by replacing 44 boilers, all the windows and doors at Mount Vernon High School, and installing new controls for room temperature and LED lights, among other improvements.

### **SAVE THE DATE**

The 6th Annual Energy Services Coalition Market Transformation Conference is being held August 23 and 24 at the [Green Valley Ranch and Spa](#) in Henderson, Nevada. This year's conference will showcase innovation, case studies, best practices and more in Energy Savings Performance Contracting and public building energy retrofits. Stay tuned for more details. See ya' in Henderson.
