**4th Annual ESC Conference  
Session: State Chapter Roundtable**

The [4th Annual ESC Market Transformation Conference](#) will be the gathering place for most of the nation's public sector ESPC program managers. We are expecting more than 20 State ESC chapters from throughout the Country to be in attendance and participate in the annual State Chapter Roundtable session that highlights ESPC activities taking place throughout the country. Last year, 19 ESC Public Sector Partners representing our network of State Chapters and State Energy Offices participated in the State Roundtable session in St. Paul. Public sector attendees represented: Kansas, Oklahoma, Montana, Wyoming, Colorado, Michigan, Minnesota, Wisconsin, Hawaii, New Mexico, Nevada, Arizona, Kentucky, Georgia, Arkansas, North Carolina, Mississippi, Florida and Massachusetts.

Attendance is limited – so [register](#) today!

### SPONSORSHIP OPPORTUNITIES

#### Did you know?

The ESC recently finalized a three-year cooperative agreement with the US DOE for its "Facilitating Public Sector Energy Savings Performance Contracting through Statewide Public-Private Partnerships" program. The cooperative agreement calls for the ESC to provide outreach programs across the nation to help build capacity for performance contracting. Through its expanding network of State Chapters, the ESC will enable the sharing of successful program strategies and projects through workshops, conference calls, conferences, on its website and in press releases and media communications.

#### Don't forget the Welcome Reception August 31

Join us at our Conference opening reception from 6-7:30 pm at the Westin Charlotte and start your Conference experience by networking with participants and exhibitors to ensure you get the most out of the event. The reception will be held in the exhibit hall allowing attendees the opportunity to meet with our sponsors in advance of the start of the conference. We encourage you to [register](#) for the Conference and book your accommodations today to take advantage of discounted prices and availability.

Remember -- attendance is limited.

#### WANT IN ON THE ACTION?

The ESC is the nation's only private-public partnership whose sole mission is to deliver the benefits of energy savings performance contracting.
